

Messages for GIMS Membership:

The APS Topical Group on Instrument and Measurement Science is sponsoring a number of sessions at the APS March Meeting this year. Note especially our **INVITED** and **FOCUS** Sessions.

Date	Activities	Location
Monday March 2 th	Session A10 FOCUS – 8:00 am <ul style="list-style-type: none"> Advances in Scanned Probe Microscopy 1: Novel Approaches and Ultrasensitive Detection Session B10 FOCUS – 11:15am <ul style="list-style-type: none"> Advances in Scanned Probe Microscopy 2: High Frequencies and Optical Techniques Session D10 – 2:30pm <ul style="list-style-type: none"> Scattering and Diffraction 	Rm 108 Rm 108 Rm 108
Tuesday March 3 th	Session F10 FOCUS – 8:00am <ul style="list-style-type: none"> Advances in Scanned Probe Microscopy 3: Scanning Probes Spectroscopic Techniques Session G10 – 11:15am <ul style="list-style-type: none"> Detectors, Sensors, and Transducers Session G28 INVITED INDUSTRY – 11:15am <ul style="list-style-type: none"> Infrared Sensing and Imaging SPEAKERS: Jose Menendez, Sarath Gunapala, Arnold Kiefer, Brandon Collings, Gary W Wicks Session J10 FOCUS – 2:30pm <ul style="list-style-type: none"> Advances in Scanned Probe Microscopy 4: Machine Learning for Correlative and Analytical Measurements in Scanning Probe Microscopy Session J27 – 2:30pm <ul style="list-style-type: none"> Experimental optical spectroscopic measurements of 2D materials 	Rm 108 Rm 108 Rm 405-407 Rm 108 Rm 404
Wednesday March 4 th	Session L10 – 8:00am <ul style="list-style-type: none"> Fundamental Measurement Science Session L37 INVITED – 8:00am <ul style="list-style-type: none"> Nanoscale Characterization of Correlated and Entangled Quantum Phenomena SPEAKERS: Patrick Blackstone, Shashank Misra Session M27 – 11:15am <ul style="list-style-type: none"> Optical Spectroscopic Measurements of 2D Materials Session Q10 – 5:45pm <ul style="list-style-type: none"> GIMS Business Meeting (5:45pm-6:45pm) 	Rm 108 Rm 605 Rm 404 Rm 108

Seeking Volunteers for GIMS Leadership, Especially Student/Postdocs/Early Career

Please attend our GIMS Business meeting on **Wednesday, March 4th at 5:45 PM** in room *Rm 108* and learn about GIMS governance and how to get involved! We have many leadership openings and are seeking especially students, postdocs and early career APS members. Getting involved in topical group governance is a great entrance into APS leadership without being overwhelming!

If you cannot attend, but want to learn more, please email Stephen Jesse (sjesse@ornl.gov), GIMS Chair-Elect, or Zahir Islam (zahir@anl.gov), GIMS Secretary-Treasurer.

Register for the Meeting

Registration rates increase on February 14. Register now to save!
